

WHAT'S UP DUCKS?

March 2020- Newsletter 8

We are hoping you are all well and looking after yourselves. Please stay safe!

Thank You!

I would like to thank you all for your kind words through this difficult time. It is very much appreciated to hear how important the service we provide is. We are very much still providing a service at the moment within school to ensure our keyworkers are able to attend work.

Activity Ideas

I know the children have lots of work to do at the moment but I have attached some links to some resources I have managed to obtain that may be of use/ interest to some of you:

[Spring Resources Pack](#)

[30 day lego challenge](#)

[Home Scavenger Hunt](#)

If there is anything else that we can do to help or ideas that you may want then please let me know.

What have we been doing?

During our February playscheme we had great fun making chocolate bars, wind chimes and many other fun activities

This week we have been writing some thoughtful and happy messages for our wishing tree. The children have enjoyed colouring and decorating the tree. The tree has now been delivered to a residential home for the elderly residents to keep smiling and stay positive!

Invoices

PLEASE NOTE: Cancelled football sessions (girls and boys) will be refunded. This can either be. Transferred back to you, taken off the after school club invoice or used as a credit towards the next club your child attends. Please let me know if you have a preference with what you want to happen.

February- March 2020 invoices: These will be sent out (if not received already) this week.
